

RedHotPie.com.au's **SEXY AUSTRALIAN** **OF THE YEAR 2013/14**

Australia's Hottest New Export Takes The Title!

MEDIA RELEASE:

EMBARGOED UNTIL JANUARY 24 2014

RedHotPie.com.au, Australia's hottest online dating and social networking community, today announced cinematic siren, **Margot Robbie as the 2013/14 Sexy Australian of the Year.**

Joining former Sexy Australian of the Year winners such as Jess Origliasso and Geoff Huegill, Robbie is another success story that began on our beloved Ramsay St. After steaming up our screens for three years as Donna Freedman on Neighbours, Robbie headed Stateside landing her big break starring opposite Leonardo DiCaprio in Martin Scorsese's The Wolf of Wall Street.

Anyone who has seen the film will understand why Robbie was always going to take out the top spot in this year's awards. The blonde bombshell sizzles on the big screen and her chemistry with DiCaprio is electrifying.

The annual awards, now in their fifth year, give a big sexy 'thumbs-up' to Aussies who embody our sexiest attributes. The awards go beyond simple aesthetic; our recipients also exude a sexualicious streak in their attitudes and actions - this year's winner is no exception.

Also at the business end of the list are celeb heavyweights such as **Liam Hemsworth**, who had a huge year for a few different reasons, along with **Miranda Kerr** and a rumoured friend/lover/ media mogul. Other top ten members include **Australia's favourite sisters**, a new Nordic legend and a **pop diva** who is making a return to the honours list.

So grab a snag and a coldie and sit back as we take you through the 2013/14 Sexy Australian of the Year list from **RedHotPie.com.au**, Australia's sexiest online dating and social networking community.

THE REDHOTPIE.COM.AU **SEXY AUSTRALIAN OF THE YEAR** AWARDS

As found at www.redhotpie.com.au

10 - Mitchell Johnson

Sporting the sexiest Aussie 'mo since big Merv Hughes was throwing leather, Mitchell Johnson has destroyed the English cricket team this summer and in doing so, helped Australia win back the Ashes. In fact the speedster's form has been so fierce he's just been awarded the Allan Border medal. A pretty Aussie way to open the Sexy Australian of the flamin' Year. Well done, Mitchell!

9 - Melissa George

She's come a long, long way from her days on Home & Away, that's for sure. Not only is Melissa George rocking Hollywood, the 37-year-old actress is still rocking one of the finest bodies on the planet. We were reminded of that when she starred in this year's hottest advertising campaign, Agent Provocateur's raunchy on-set meltdown video. The outfit covering George's phenomenal curves has to be seen to be believed.

8 - Sam Worthington & Lara Bingle

Well if you haven't read about it in every gossip magazine in the country, Hollywood heavyweight, Sam Worthington has shacked up with Lara Bingle. Worthington is of course known for starring in blockbusters such as Avatar and Terminator Salvation, while Bingle is best known for... well she's known for all sorts of things really, the latest being Sam Worthington. All we know is that they make a very, very attractive couple.

HOT HOOK-UP

7 - Travis Fimmel

Not content with his sex symbol status after his legendary Calvin Klein underwear campaign, Aussie heart-throb, Travis Fimmel has again caused hot flushes throughout the world. Fimmel has landed the lead role in the hit History Channel series, Vikings. Playing Norse legend, Ragnar Lothbrok, Fimmel fights, pillages and sleeps his way through new lands and straight onto the Sexy Australian of the Year list.

6 - Jackie O

She's the aesthetically pleasing half of Australia's most successful beauty and the beast pairing. Radio hostess with the mostess, Jackie O has always matched her stunning looks and charm with wit and grace, qualities that have served her well throughout a tumultuous 12 months. 2013 saw the dazzling DJ and her ever controversial partner, Kyle Sandilands jump ship from 2DayFM to their new home at Kiis 1065. We, like so many others, will be making the switch!

5 - Ricki-Lee Coulter

Australia's hottest diva has lived up to her title of Sexy Australian from a couple years back! Her film clip for Come and Get In Trouble With Me featured the sultry songstress naked atop a white horse. What did it have to do with the song? Who knows? Who cares?

4 - Liam Hemsworth

The younger of the Hemsworth bros has had a massive 2013. The brooding brother of Thor star, Chris Hemsworth, Liam has had a lot on his plate of late, including making the smash hit sequel to The Hunger Games, and breaking up with the increasingly bizzaro, Miley Cyrus. Don't worry Liam, we're sure the ladies of RedHotPie would be willing to keep you warm at night.

3 - James Packer & Miranda Kerr

HOT HOOK-UP

Sure, nobody knows if this rumoured super-hook-up is actually happening or not, but so powerful would this union be, we're just rollin' with it! Able to buy Brangelina with pocket change, James Packer and Miranda Kerr (or Jaranda as we've dubbed them) would be the ultimate Australian celebrity couple. Money, power and beauty, they have it in spades; well, James looks a bit like Mr Potato Head, but being a billionaire bachelor is a helluva aphrodisiac!

2 - Kylie & Dannii Minogue

For years, the Minogue sisters have represented Australian sexy with aplomb; Kylie with her disco rockin' hot pants and Dannii with her flirtatious smile and sizzling magazine spreads. Now, a little older, but every bit as desirable, the girls are both back on our screens here and in the UK. Dannii has been bringing the truth on X Factor, while Kylie is about to join The Voice. All this action can only mean we'll be seeing more of these ever-green beauties, and that's fine by us!

SEXY SIBLINGS

1 - Margot Robbie

Ex-Aussie-soap goddess, Margot Robbie is one of our sexiest exports, but more importantly she's the 2013/14 Sexy Australian of the Year! Her seductive and sultry charms alone are enough to land at the pointy end of our Sexiest Aussie honours, but mix in her breakout role along side Leonardo DiCaprio in Martin Scorsese's *The Wolf of Wall Street* (which includes some eye-popping horizontal tango action) and you've got yourself a salacious juggernaut of sex appeal! Congratulations to Margot Robbie, the RedHotPie.com.au Sexy Australian of the Year for 2013/14.
